

SEVERIN

SEVERIN

Friends for Life

For more than 60 years, SEVERIN have been manufacturing and selling high-quality electrical appliances that make consumer's lives easier

Uncomplicated and reliable, SEVERIN stands for service. It's for people who want quality and contemporary design within their own four walls.

Throughout their history, SEVERIN has been a byword for reliability and innovation. This means German quality from top to bottom: whether it be product design, development or material selection and processing.

The wine cellar
for your living room.

INVERTER TECHNOLOGY

The inverter technology uses sensors to regulate the cooling capacity in accordance to the current demand, reducing noise levels and power consumption. At the same time, the constant temperature keeps food fresh with an accuracy of 0.1 °C for longer.

A++ ENERGY CLASS

All new models have at least an energy efficiency class of A++ or better.

TOTAL NOFROST

The Total NoFrost technology ensures optimum moisture regulation with targeted air circulation - making icing a thing of the past.

Cheer up, cool down.

LEDLIGHT

Reduces energy consumption and heat radiation while increasing life expectancy.

ZEROBOX

Optimal temperature control for sensitive foods such as meat, fish and cheese.

VEGGIBOX

HUMIDITY CONTROL

Ensures correct humidity for perishable fruit and vegetables.

EasyClean

AutoPress

FastSpeed

MultiSize

Severin Fully Automatic Lemon Squeezer S73537

Severin Smoothie Mix & Go S73735
