CATALOGUE

Welcome!

We're delighted to share our first catalogue with you and hope that it leaves you with plenty of choices.

Throughout the catalogue you will find all of our brands including BRITA, Leifheit and Severin along with some recent additions in Greener Cleaner and Soehnle.

Along with taking on new brands, we have had a busy year with a full digital redesign across our website and social media. You can find the full extent of our products on our new website at www.bluestone.ie along with upcoming news and product announcements, so keep your eyes peeled!

New brands bring new opportunities and we have quickly grown from being experts in water filtration to having a vast range of products across homewares, water filtration and lifestyle – from storage to cleaning and baking to fitness. With nearly 800 products, there's something there for everyone.

Along with our new brands, throughout the following pages you will find plenty of information as to how we can support you from a sales, logistics and marketing perspective. Whatever you need, don't be afraid to call us!

With over 25 years of experience trading in Ireland, we're proud of the connections that we've built with you, its retailers, and are keen to carry on this strong working relationship, whilst opening up more exciting opportunities and providing value for money for you.

We hope you enjoy flicking through the next 80 pages and find something in there that ticks all the right boxes!
