

**2023
Catalogue**

Welcome!

Throughout the catalogue you will find all of our brands including BRITA, Leifheit and Severin along with some recent additions in Strata and Soehnle.

With over 25 years of experience trading in Ireland, we're proud of the connections that we've built with you, its retailers, and are keen to carry on this strong working relationship, whilst opening up more exciting opportunities and providing value for money for you.

We hope you enjoy flicking through the follow pages and find something in there that ticks all the right boxes!
