**SEVERIN**

# The SEVERIN focus categories.

The ultimate in coffee and tea pleasure – from fully automatic coffee machines to filter coffee machines and the latest in tea and jug kettles.

## COFFEE & TEA

## MICROWAVES

Microwaves can be found in almost every household these days, because the little all-rounders save a noticeable amount of time and money. The small cooking chamber heats up swiftly, and is increasingly replacing the main oven.

## **KITCHEN**

Cooking is diverse and creative – just like our products. Our kitchen assistants are used everywhere from breakfast to bedtime tea, accompanying you reliably as you complete everyday tasks.

## **FLOORCARE**

Cleaning equipment is used daily, so it should feel good and be easy to operate. SEVERIN products are also easy to carry and store. Their innovative technology ensures that fine dust pollution and loud suction noises are a thing of the past.
