

How to use An Post Click & Post Return Service

Go to www.bluestone.ie Select BRITA Services at very top right of website & from this drop-down menu select **Recycle BRITA Refills**

This will bring you to our recycling page. Scroll down to “click **here**” to book your recycling drop off/collection via An Post

How to recycle your BRITA products

As the authorised BRITA distributor in Ireland we can take your old BRITA water filter cartridges and recycle them!

You can now use An Post Click and Post return service to send your old BRITA refills back to us for recycling, for free! (Don't forget to include an email address to receive a promo code):

[Click here](#) to book your recycling drop off/collection via An Post.

anpost

Package up your used filters appropriately, making sure they are clean and dry.

Select BRITA returns from the 'find your retailer' drop down menu, then select 'Recycling' as the reason for return.

You can type 'Recycling' in the order number section and follow the instructions on the An Post website.

You can select a collection date or choose to drop it off at your local post office. Please read terms and conditions below:

Terms, conditions & expiry dates apply to promotional codes

We ONLY accept BRITA brand water filter cartridges for recycling & they MUST be CLEAN & DRY when posting. No coffee pods, batteries, rubbish etc. accepted!! Any contaminated refills will be disposed of with general waste and no promo code will be given, so please ensure they are clean and dry. Promo code will only be issued once we receive the old cartridges back in our warehouse and a valid email address has been supplied. No exceptions! Bluestone Sales & Distribution Ltd reserve the right to change or alter the terms of sales, discount or promo offers at any time.

This will direct you to the An Post web page.

In the search box **Describe your item** - start typing **BRITA** - this will prompt **BRITA Returns** (select the prompt)

Select reason for return – this is a drop down menu – please make your required selection.

When Recycling filters, please select Recycling.
